

The Exam Room 6

For Dr. Michael Riegger's explanation, visit dvm360.com/exam6.

The Exam Room 6

Step 1: Prep—Why the pet's being seen, what the record says

Step 2: What—Objective findings in the exam room

Step 3: Assess—Differential, prognosis

Step 4: Plan—Triage, diagnostics, treatment

Step 5: Next Appt.—Followup, PMI, diagnosis, next visit is when ... ?

Step 6: Proof—Auditing duties for all the above, and "3 Visit Rule"

Courtesy of Michael H. Riegger, DVM, Dipl. ABVP
